IDEACENTRE AIO 3i

Efficient performance for the home

The Lenovo IdeaCentre AIO 3i is a PC for the family and a compact art piece for the home. Easily breeze through demanding tasks thanks to the up to 12th Generation Intel® Core™ i7 processors and optional NVIDIA® GeForce® MX550 graphics. A vivid IPS FHD display and Harman Kardon®-certified audio make this a modern hub that is perfect for learn, work and play.

Cutting edge performance

Powered by up to 12th Gen Intel® Core™ i7 processors and NVIDIA® GeForce® MX550 graphics to offer faster speed even for content editing and casual gaming.

Expanded views from any angle

Watch shows on a 3-sided narrow bezel FHD IPS (In-Plane Switching) display with optional touchscreen and experience crystal-clear image quality.

Improved productivity

The elegant modern design comes with a mobile phone dock that makes it easier to multitask between your PC and smartphone.

Superior audio quality

Fill up the room with built-in dual 3W stereo speakers certified by Harman Kardon®, ensuring studio-like audio for movies and music.

Learn & Work Smart

Lenovo's suite of Smart Learning features is designed to help you get the best out of home-based working and learning without compromising on comfort and well-being.

Smart Noise Cancelling

The AI-enhanced Smart Noise Cancelling tunes out unwanted background echoes and delivers your voice loud and clear with 3 different modes to optimize your study space.

Eye Care

Lower blue lights to reduce eye strain and fatigue with Eye Care and TÜV Certification guarantees flicker-free screen.

Lenovo Aware

Holding an ecosystem of well-being features to help you stay healthy, mindful and productive via "Attention Reminder", "Break Reminder" as well as distance and posture detection.
